850 Mediation appointments since launch

In the third week of February we achieved our 850th appointment since launch in 2007, making us one of the most sought after mediation bodies in Europe.

In the first two months of 2010 we have conducted 69 mediations covering many aspects of commercial law, employment, construction, insurance, professional negligence, chancery (including, trusts, pensions, estates, insolvency) local authority, police issues, personal injury and property disputes.

Instructions have been received from solicitors in England, Wales, Scotland, Northern Ireland, Canada, Guernsey, Jersey, Gibraltar and a range of other European countries.

Value of the disputes have ranged from fifty thousand to hundreds of millions of pounds. Parties have included central governments, regional authorities, global corporations, SMEs, professional firms and individuals.
